About Me

I am a driven, positive, and self-motivated professional. Accustomed to functioning in a fast-paced and deadline-based environment. I apply critical and analytical thinking skills to solve problems in both individual and team projects. I view constructive criticism as a tool of improvement, and I do not hesitate to learn latest information.

Professional Experience

Younglings Africa | Junior Full Stack Developer
July-Present

Key responsibilities:

- Assist in web development for front-end and back-end components.
